

No Place I'd Rather Be

Let me hear Your voice
Let me hold You close
Let me see Your face
I long for You the most

(chorus)
There's no place I'd rather be
Than in Your presence
There's no place I'd rather stay
Than at Your feet

Your voice is so sweet
And Your arms are so strong
I see the love in Your eyes
And I know where I belong

Chorus 2x

(bridge)
Reveal Yourself to me
In this quiet secret place
And in the fires of our love
My fears will melt away
Reveal Yourself to me

Chorus 2x
