

So Wonderful

(chorus) 2x

You are so wonderful to me, so wonderful to me
So wonderful, so beautiful, so wonderful to me

You shine more brightly than the sun
You are altogether lovely
Glorious in majesty

Chorus

Your mystery has been revealed
To hold me You tore down the veil
Now I'm free to dance with You

Chorus

Many waters cannot quench love
It will only burn much brighter
The very flame of my Lord...

Chorus 4x

You are wonderful, You are beautiful to me
No one can compare to You
